

How you can help us.

Teachers would like to know how the children are coping with what they have been given to do with you, and how they feel about it.

Children have varying abilities and individual behaviour patterns. Please respect the personal confidentiality of each child.

Teachers should be told about any behavioural problems.

Observations made while in school should also be treated as confidential. Helpers should careful not to put themselves in a situation where their words or actions could be misunderstood and should always work within sight of another adult.

How you can register.

Schools are required to obtain a criminal records check for any person working with children. All new parent helpers are asked to complete a Disclosure Application Form online and provide proof of identity. Please provide the school office with an email address which will allow the application process to commence.

BRAMCOTE HILLS PRIMARY SCHOOL

Parent Helpers in School

We are very grateful to so many parents and friends who willingly give of their time and expertise to help our children in school. The support provided is invaluable and an important part of our school ethos.

Parents help in a variety of ways including hearing readers, observing swimmers, offering transport, assisting on visits, helping with crafts, maths or computer skills, and many more.

Thank you for being willing to help us.

How the children can help you.

The children know that the school rules apply equally when they are with you.

They are:

- * Follow instructions first time
- * Speak kindly and politely
- * Always show good manners
- * Keep hands, feet and objects to yourself
- * Walk quietly in school

Children should be polite, well behaved and considerate. Feel free to correct them if necessary and remind them of the school rules

How we can help you.

Tea and coffee making facilities can be found in the staff room. Please use whatever you need. As the staff room is often very busy, we ask that parent helpers have their drinks in the classroom during break times.

Do feel free to chat with other parents or teachers before school or at break time.

Teachers will brief you on what they would like you to do with the children.

If you are unsure of, uncomfortable or unhappy with what you are asked to do, please tell the teacher immediately.
